Dated 22.07.2022

D. O. No. M.11018/09/2022-CDN

Dear Jagadesh Ji,

As you are aware, 'COVID Vaccination Amrit Mahotsava' commenced from 15th July 2022 to provide free Precaution Dose to all adult (18 years and above) eligible population at Government COVID Vaccination Centres (CVCs) being implemented in a 'Mission Mode'. The special intervention is aimed to increase the uptake of the Precaution dose of COVID Vaccine among the eligible adult population.

2. For effective rollout of this campaign proactive support of Educational Institutions (Central and State) is necessary. Department of Health and Family Welfare has forwarded the approved banners for the COVID Vaccination Amrit Mahotsav (Hindi and English) which are available in the Google Drive link which contains both JPEG and open files for your convenience.

Access link: <https://drive.google.com/drive/folders/lcoqRGwwfQPSfYtlfqEX8xldvJc-uL6Xz?usp=sharing>

3. In the above backdrop, I would request your support and leadership in encouraging all the officials working in your institution and in all HEI under UGC's purview, as well as faculty, staff and students engaged in all these institutions to encourage them to take precaution dose of Covid-vaccine and also display the approved campaign banner in the respective Institution /University / College campuses. Special camps may be organized by these institution for facilitating this.

4. Your support will be critical for the successful implementation of this campaign which is going to prove a big step in increasing the precaution dose uptake in the country.

With regards.

Yours sincerely

(K. Sanjay Murthy)
