PROF. BHAWNA PANDEY
THE PRINCIPAL

Dear aspiring changemakers,

It is with great pride and enthusiasm that I extend a warm and heartfelt welcome to all new students at Dyal Singh Evening College, as you embark on this journey to chart out new trajectories for yourselves and become the architects of your dreams.

Our college ethos is fortified and deeply engraved by our founder; the visionary Sardar Dyal Singh Majithia, with the motto of providing a platform for academic excellence to students from all walks of life. We foster an environment where curiosity thrives, and dreams take flight.

As you step through our hallowed gates, remember this:

Life is a canvas, and you hold the brush. Paint it with purpose, color it with passion, and sketch your aspirations boldly.

Together, we build a community where trust is the mortar that binds us. It is a holistic experience where we focus on your academic success along with character development and emotional well-being, the cornerstones of a fulfilling life. Our aim is not just to create graduates, but to empower responsible citizens, enabling them to think big and make a positive impact in the world. The dedicated faculty we have and state-of-the-art facilities will equip you with the knowledge, skills, and confidence to navigate the ever-evolving world to become the leaders of tomorrow and will cheer you every step of the way. Gratitude is the compass that points us toward contentment.

We prioritize both curricular and co-curricular activities, nurturing young minds with the right values, character, discipline, and dexterity. Develop your passions, unlock hidden talents, and explore creative avenues. Find your voice, hone your skills, and become the best version of you! Picture yourself on stage, addressing a captivated audience. Our college hosts thought leaders, industry experts, and visionaries. Your turn will come—prepare to inspire. Our newsletters are like secret scrolls, revealing hidden gems. Dive in, discover events, opportunities, and stories that connect us all. Our spirit knows no bounds. We're a global family, bound by shared dreams and aspirations.

So, dear students, welcome aboard! As you step onto our vibrant campus, remember that these college years are more than an education—they're a tapestry of memories waiting to be woven. I hope you will cherish the years spent in college. Your canvas awaits—paint vividly, sketch boldly and let your colors blend harmoniously with those of your peers. Together, we'll create a masterpiece—one that echoes through time. This is your chance to make your mark. Let's get started!

With anticipation and joy,

Prof. Bhawna Pandey
