Sub: Request to publish North East student Society registration form
on college official website.

Respected Ma'am.

I am writing to request your assistance by uploading the North East Student Society registration form on college official website. This initiative would help make the registration process more accessible and encourage students from north-east India along with Jammu & Kashmir and Ladakh to join our society and participate.

Making the registration form available online will increase awareness and engagement of the students.

We appreciate your consideration of this request.

Yours sincerely

Sandip Paul

President, North East Student Society
Dyal Singh Evening College.
