NOTICE

Stern Warning against Bursting Firecrackers on Campus

It has come to the urgent attention of the college authorities that some students are indulging in the highly disruptive and dangerous act of bursting firecrackers within the college premises, particularly near the NAB and SPS blocks. This irresponsible behaviour causes severe disturbance to the academic environment, disrupts ongoing classes, and poses a serious safety and fire hazard to all students and staff members.

All students are hereby strictly warned that bursting firecrackers, or possession of the same, on the college campus is strictly prohibited.

Any student caught violating this rule will face strict and immediate disciplinary action, which may include:

Immediate suspension from the college.

A heavy monetary fine.

A permanent record of indiscipline in the student's file.

In severe cases, rustication from the college.

Security surveillance has been increased across the campus to enforce this rule. We expect all students to adhere to the college code of conduct and help maintain a safe, peaceful, and conducive learning atmosphere.
