Dear Colleague,

I am thankful to you for your support in smooth conduct of the semester examination-2019. As you are aware, in response to a call given by the Delhi University Teacher's Association, it has been observed that less numbers of teachers from different colleges are participating in the evaluation of answer scripts for the undergraduate courses. The delay caused in the evaluation of answer scripts would lead to a delay in the declaration of results for different undergraduate courses. The students of our University would be the worst sufferers and this may jeopardise their academic career.

You are requested to ensure the participation of teachers of your college in the evaluation work at different evaluation centers of the University. Looking forward for your support and cooperation as in past.
