

Faculty Brainstorming Forum

December 05-06, 2023

Recognising the importance of fostering innovation and collaboration among our esteemed faculty members, The Principal, Dyal Singh Evening College, invites the faculty members for a brainstorming session dedicated to explore new ideas, methodologies, and opportunities within our academic community. The aim for this collaborative workshop is as follows –

1. A collection of innovative ideas to enhance our academic programs.
2. Identify opportunities for collaborative research projects.
3. Actionable strategies to improve student engagement and success.
4. A sense of community and shared purpose among the faculty members.
5. Identify Short term courses for the students following the structure of NEP, to enhance their Industrial skills.
6. Suggestions for improvising sport skills and the ways to encourage them for their maximum winning participations.

Session Format:

The proposed session will be interactive and collaborative, featuring short presentations and open discussions, allowing adequate time for faculty members to prepare and actively participate.
